

In Loving Memory of

# Mac Waters

August 16, 1932 - March 2, 2016

"We have loved him during life, let us not forget him after death."

- St. Ambrose

O merciful and most loving God, we beseech Thee, grant to Thy departed servant the full remission of all his sins, and admit him to the company of Thy saints, through the merits of our Lord and Saviour Jesus Christ, who liveth and reigneth with Thee in the unity of the Holy Ghost, for all eternity. Amen

Eternal rest grant unto him, O Lord, and let perpetual light shine upon him. May he rest in peace. Amen
